Labour Councillor (Manchester), George Harding - Charged with indecent assault on a girl of 12. Who can forget Dunblane where that sick paedophile Thomas Hamilton walked into a primary school and shot dead 16 little children. These poor victims were aged between 5 and 6 and were so terrified that they tried to hide behind their teacher. Hamilton soon remedied that though. He simply shot the teacher dead. It has since been revealed that not only was Hamilton a Freemason, he was also a scout master... Then again, the list of convicted paedophile scout masters is also endless. In fact, Baden Powell, the man who founded the scout movement was a sick kiddie fiddler himself. But I digress. The Dunblane massacre and subsequent links to the British Government are many. You only need to ask yourself why files relating to the public enquiry have been made subject to a 100 yr disclosure rule, instead of the usual 30 years to realise that.
